Evangelical Lutheran

Church in America.
God's work.

A Word From Pastor Chuck

God's Church is the hope of the world! Its important to note that this isn't Pastor Chuck's comment; this is in essence what our Lord and Savior said about his church. To quote Jesus directly he said, "The gates of hell will not prevail against my church." (Matthew 16:18) That is a bold vision for a group of people who come together in Langdon, North Dakota, to form a church called United Lutheran. We are called as God's church to be a light in this community, to be a beacon of hope and good news for all. God uses us as His church to join with Him in His work in this world; when we come together as a worshipping community, as well as tending to the ministries that are a part of who we are. So, with that in mind, let me share with you the ministry opportunities that are before us in the month of May.

Pray for the call committee and their work to call a pastor to serve United Lutheran into it's future. The call committee has been doing the necessary work to move that call process forward. A long term pastor would be best with a vision for youth and family ministry. Also, a capable preacher to preach the word of God week after week, to inspire and encourage the good people of faith here, to live into what it means to be a follower of Jesus. Your prayers added to the call committee's work is vital to joining with God in His work in this place.

In preparation for a pastor to come serve at United, we will have a clean-up day that includes some necessary work at the parsonage. Clean-up day will also include spring cleaning outside and around our church building. So plan to "get involved"

with this moving from winter to spring clean-up scheduled for May 16th following worship. Feel free to wear jeans and work clothes to church that day. A reminder, this is a great opportunity for the youth to fulfill "Hands & Feet" projects or even gain volunteer hours!

Covid basically shut down the visitation ministry here at United, but its time to get that ministry back up and running again. Interested people from a pre-covid meeting have been called and invited to a visitation meeting on May 2nd following worship. If you have a heart for visitation ministry, you are invited to attend that meeting. We will focus on natural connections for visitation, the purpose of visitation, as well as other pertinent ways to make the most of the visitation we do as a church; reaching out to shut-ins and others who need that ministry.

Also, United Lutheran 4th graders will receive their First Communion on May 2nd. Lets rally around them and their families as a congregation to celebrate this important moment in their faith walk by making worship a priority on May 2nd.

On May 16th, during worship, we will be acknowledging and pray for the graduating seniors as they take the next step into their future. Join the graduating seniors and families in worship that day, as we lean on Gods' promise for them, "I know the plans I have for you, says the Lord, to give you a future filled with hope". (Jeremiah 29:11)

Council Notes 04-19-21 Mtg

Pastor Chuck is working on a summer worship series with Janet and Kathie. He is helping re-start the visitation ministry group.

Julie stated that the United Women (formerly WELCA)/funeral account money, along with quilting funds have been combined and has been deposited in the kitchen dedicated fund.

Carla reported that VBS will be held June 1-3, times 9AM-3PM. She also gave details from the call committee meeting and that they are finalizing the ministry profile, working on the "defined compensation" portion.

Steve reported that property had met and spoke about items to be looked after at the parsonage and church. Priorities right now are the leaking church roof and completing the sewer pipe replacement in the church parking lot.

Council made a few changes regarding Covid guidelines (page 5).

Spring cleaning for the church and parsonage will be May 16 following worship.

Outdoor worship is in the plans, whether the picnic will follow has been tabled until next month.

Council minutes, treasurers reports and pastors' reports are posted monthly on the bulletin board in the hall across from the church kitchen.

First Communion

ULC students in fourth grade who participated in communion instruction on Sunday, April 25 will be recognized with first communion during our Sunday morning worship, May 2.

Congratulations to these young people on this step in their faith:

Ella Goodman, Liam Johnson
Olivia Bredeson, Hailee Hakanson
Korbyn Rollness, Jesse LaPorte
and Austin Wenzel

A Word from Pastor Chuck

(continued from page 1)

Just on the other side of May, beginning June 1-3 is VBS, (Vacation Bible School). VBS is open to the children of United as well as the community and it's a great outreach opportunity to invite a grandkid or a neighbor child to participate in this year's event. Carla Gemmill has recruited volunteers to serve the VBS kids in a variety of ways, so lets rally around our kids with our gifts and talents by getting involved. I would remind us all of what Jesus said about experiences like VBS, "Let the little children come to me and do not hinder them for such to these belongs the kingdom of God." (Matthew 19:14)

Finally, as you may know, we have a leaky roof that needs to be repaired. The property team has done research and made a decision with council's approval to get the roof fixed. Summer is short and now is the time to get it fixed. The bid that was approved to fix the roof is for \$28,420. We will be receiving a special offering, targeting this project during the month of May and would invite members of United to participate. Together, with goodwill and generous hearts, we should be able to pay for the necessary repairs as we seek to take care of our church home. To give a special offering, simply indicate your gift is for the roof project on the memo line of your check or on your envelope.

Your ownership is the vision to be God's church. That hope of the world, needs every member's gifts, talents and generosity. And so, thank you, people of United Lutheran for being a church that makes God smile.

Pastor Chuck

Sunday School

Greetings!

Here we are at May already, which means we're at the end of our Sunday School year! Looking back on this year, it has definitely been challenging, but also full of blessings. I want to extend a big thank you to all of our Sunday School leaders that have given their time and talents to lead our kids each week. Our Sunday mornings changed quite a bit, but our leaders did a fantastic job helping things run as smoothly as possible! And, we all learned a few things along the way!

We will meet the first two Sundays in May, with our lessons being "False and True Fasts" on May 2nd and "Justice and Jubilee" on May 9th. May 9th will be our last Sunday for the school year. We will also be doing our spring service project that day, which will be coloring and preparing cards to send to our friends and neighbors in local nursing homes.

You saw the dates last month, as well, but a reminder that VBS is coming soon! It is scheduled for June 1-3, Tuesday through Thursday. Metigoshe Ministries will be with us for a full day on Tuesday, June 1st. The remaining two days Metigoshe will provide us with materials and we will have folks from our congregation leading the kids. We are looking forward to this week! Watch for more details as we get closer.

As always, please continue to check our Sunday School Facebook page for announcements and don't hesitate to reach out if you have any questions!

Grace & Peace,
Carla Gemmill
Education Committee Chair

Confirmation

We will close out the school year for our 7-8 grade confirmation students with two May sessions, both at 6pm:

May 5: Group Service Project, Ditch Cleaning
May 12: Adventure Night - Trivia/End of year party

Thanks for a great year!

Roof Project

The Property Committee met on April 15th to discuss the ongoing leaky roof in the fellowship hall and other areas of the church building. Several options were suggested for the roof including a pitched system that would involve using wood rafters and metal roofing, repair of the existing rubber roof and replacement of the existing rubber roof with a urethane foam roofing system. A preliminary estimate of \$220,000 was considered and rejected due to the high cost of materials and the need to eliminate the south facing windows in the sanctuary, to accommodate the pitch of the roof. The current rubber roof has been problematic since it was installed. Property decided to accept a bid from The Insulation Place in Grafton to install a urethane foam roofing system on the west portions of the flat roof area. This portion of the roof covers the fellowship hall, narthex, church offices, kitchen, restrooms and entry. The proposal will build pitch on the low areas of the roof allowing water to move to the drains to eliminate ponding on the roof. Additional insulation will be an added value to the use of a foam roofing system. The total cost of this project is \$28,420. Church council approved the project on April 19th and there will be a special offering to pay for the repairs.

Senior Graduate Recognition

The Langdon Area Ministerial will be holding a Baccalaureate Service for all the area graduating seniors, Wednesday, May 19, at 7pm at New Hope Fellowship. This service is open to friends and family of each graduate with refreshments.

We will be honoring our United Lutheran Church high school graduates at our 10am worship service on **Sunday, May 16**. At this service, we will be gifting our graduates with a quilt, hand-made by United Lutheran's quilting group.

Congratulations to our graduating seniors and may the Lord's face shine upon them and the Lord look upon them with favor as they continue with their next chapter!

Kaylee Lowery
Grant Romfo
Simon Romfo

Covid-19 Updates

Council met on April 19 and has updated a few of the Covid-19 policies. Coffee is being offered following worship services. The sanctuary and fellowship hall are at 75% capacity and the tape from the pews has been removed from within the sanctuary. Masks are still recommended. Other current precautions include:

Continuing to refrain from handshakes and passing the offering plates, precautions still taken when distributing Holy Communion and continuing to be ushered out following worship services.

If the funeral committee is called to serve a funeral, they may serve food requested by the family, done in a sanitary manner.

Potlucks are on hold yet and the picnic following the outdoor worship is still being discussed.

Joy

Congratulations to Tyler & Emily Balsdon on the baptism of their daughter, Gigi Joelle. Her baptismal sponsors are Cory & Katie Keegan. Gigi has two big brothers, Jamison and Brooks.

We invite you to pray for those people listed. Please call the church office if you have additions to our prayer list.

Call Committee Update

The Call Committee had its initial meeting via zoom with the Associate to the Bishop, Shar Gumke. Shar talked with the group about the call process and will be available anytime for questions and advice.

Since then, the committee has had two more meetings to discuss and update the Ministry Site Profile. The profile is a document that clearly shows what United Lutheran is all about. Pastors who look at our profile will learn about our congregation, staff, budget, mission, programs, goals, partnerships, gifts, community and what we are looking for in a pastor.

Once the profile is finalized, it will be sent to the Synod. If the synod feels an interested pastor may be a good fit for United Lutheran, that pastor will receive our profile and we will receive a profile of the pastor. If the Call Committee is interested in the pastor, an interview will be set up.

The church council did an excellent job in selecting the 10 members of the Call Committee. It is a group that works well together as a whole; the committee is excited about United Lutheran and what it has to offer to an incoming pastor. Please continue to pray for the committee members: Ashton Hedger, Andrea Jacobson, Abby Borchardt, Steve Hart, Ted Dahl, Linda Olson, Kyle Rollness, Carla Gemmill, Julie Johnson and Lisa Schuler.

Lisa Schuler
Call Committee Chairman
