A Word From Pastor Chuck

Summer makes us think about recreation. Enjoying the weather and the water as well as family gatherings and all the good things that are a part of what we call summer here in the northland. But let me for a moment get you thinking about a biblical view of recreation and what it means for your life. Do you ever wonder why God rested on the seventh day? Here's what scripture says about what God did after he created the heavens and the earth and humanity as the crowning achievement of all he had done.

Thus the heavens and earth were finished and all their multitude. And on the seventh day God, after God had finished all He had done, He rested from all the work He had done. So God blessed the seventh day and hallowed it, because God rested from all the work He had done in creation. Genesis 2:1-3

From a biblical point of view, recreation is better viewed as RE-CREATION. An opportunity to renew and restore ourselves, as we look at a week of work or a season of work with all the blessings that flow from that work. Without re-creation, life can become dull and monotonous, losing both meaning and purpose, so we find ourselves just going through the motions. And when we are just going through the motions of life, we lose a sense of gratitude for all the blessings that flow from creation and from God's goodness. Gratitude is necessary as people of faith, so we are looking up to God giving thanks for the beauty and blessings of nature and the primacy of relationships that give meaning to life. In this season of the year, I want to encourage you to do a little RE-CREATION. That means

enjoying summer with the outdoors and family vacations that are a big part of our lives during July and August. It also means focusing on God, as the giver of all. That is a part of summer and with gratitude, thanking Him, making Him central to your experiences of RE-CREATION. When we worship Him and thank Him for all we experience in the summer season of life, we are renewed and our souls connect with Him as our creator and as the one who blesses my life with all His good gifts. SO embrace a biblical view of recreation and make RE-CREATION your focus...it will be well with your soul when you do and your heart and life will be filled with God's blessings of summer!

As a part of your summer Re-Creation plans, don't forget the outdoor worship service and picnic planned for July 25th.

Other notes of interest include:

The property team has been hard at work this summer getting the parsonage "up to speed" with clean-up and repairs, readying it for a new pastor, as well as getting roof repairs done at the church. Many folks have volunteered time and resources and they deserve a word of thanks on behalf of the congregation. If opportunity presents itself, personally thank them and cheer them on in their labors of love for the church.

As an expression of your love for God, remember to keep your "regular" offerings regular. And thank you for your gifts that support the mission and ministry of United.

Pastor Chuck lead in devotion and prayer. He reported attendance is strong, giving has been good. He will meet with Carla Gemmill soon to plan curriculum for Sunday school and Confirmation.

The Easter Egg Hunt money of \$507.87 has been moved to the Sunday school dedicated fund.

Steve reported that the church roof repair has been completed. Property Committee recommended a new steel roof for the parsonage, new vinyl plank flooring for the basement living room along with carpeting for the basement stairs. A motion was made to proceed on these projects and motion carried.

No new Covid-19 precaution updates other than we will not be ushering out after worship services.

The Mutual Ministry Committee needs to be reestablished. Looking for three to six individuals, showing faith based maturity, honesty with mentorship as the goal.

Synod Assembly is August 14-15 in Fargo. Up to three representatives from the congregation can attend along with the pastor.

A Word From Pastor Chuck

(continued from page 1)

The visitation team is making visits, which in some cases include communion to shut-ins as well as visits to others who are alone, hospitalized, or otherwise in need of that care that the team offers. If you know of someone who should be visited by a member of our visitation team, please let the church office know.

Rebecca Kjelland from Park River Bible camp will be the fill in pastor for June 27th and Kate Johnson from Red Willow Bible camp will be the fill-in pastor for July 4th. Welcome them and bless them as a church as they provide pastoral leadership for the church in my absence while I am on RE-CREATION.

Thank you people of United for your faithfulness as followers of Jesus and by all means enjoy the summer!

Pastor Chuck

Summer Worship Series

United's summer worship series is focused on Transformation. This series is focused on God's work of changing us from the inside out so we ourselves become living sacrifices, pleasing and acceptable to God. As scripture reminds us, "Do not be conformed to this world but be transformed by the renewing of your minds, so that you may present yourselves as living sacrifices holy and pleasing to God". And God is really good at transforming anyone who says to Him, "Take my life and do Your work in me O Lord". July preaching focuses are as follows:

- July 4 - Transformed from captive to free
(Guest preacher is Kate Johnson)
- Julie 11 - Transformed from hate to love
- July 18 - Transformed from grief to healing
- Julie 25 - Transformed from frustration to patience
(Outdoor worship and picnic)

Summer in Langdon needs to be celebrated and enjoyed as summer is short here in the northland, but; along with enjoying summer, make worship a priority as the grace and goodness of God celebrated in worship is good for our souls.

Covid Updates 6/21

Coffee with food may be offered/served. Masks are optional, (we ask that everyone respect others decisions with face coverings), still refraining from handshakes and passing the offering plates. We will have continuous Holy Communion, although servers will continue to wear face coverings during distribution as they place the wafer in your hands. We will not be ushered out following worship services.

We invite you to pray for those people listed. Please call the church office if you have additions to our prayer list.

Vacation Bible School

Thank you to everyone who helped with or participated in Vacation Bible School, June 1-3. United Lutheran hosted 47 kids!

A special thank you to the leaders: Marcie Crockett, Sydney Crockett, Lynn Johnson, Kim Hart; youth helpers: Tyson Gemmill and Levi Swanson; the kitchen help and our education committee chairperson, Carla Gemmill! This could not happen without all our volunteers and helpers!

Call Committee Update

The call committee is in a waiting process for potential candidates to serve as a full-time, long term pastor at United. As we wait, there are two things that you as congregation can do to participate in the call process. Please pray for God to send United Lutheran a pastor who will “fit” into this congregation and serve us well as our pastor for a good long run. Alongside of that, you can help the call committee be proactive by sharing any names of potential candidates with the church office. North Dakota is pretty well “connected” and you likely know a pastor or have heard of one that might be a good fit for ministry here at our church. Sharing those names can help the process in that one conversation can lead to another, that might well open the door to potential pastoral candidates. Don’t hesitate to share the names of pastors you know or have heard of that you believe we should connect with. The Holy Spirit can work through these conversations to lead the call committee in the right direction. So thanks for your prayers and any names you have to share.

Church Roof Project

The church roof project has been completed! A special offering is still being collected to help raise funds for this project. Cost of the project is approximately \$28,420. To give an offering, simply indicate on the memo line of your check or envelope.

Thank you to those that have given so far; **17,370** has been raised!

Our picnic will be done in a slightly different manner with precautions. Various committees have responsibilities for the picnic, which are summarized below (a full list is on the bulletin board in the church). If you serve on one of these groups, please coordinate together to ensure your duties are taken care of. Thank you!
